### Join Ka'kin as a Skilled Laborer with Supervisory Experience

Ka'kin is seeking a dedicated Skilled Laborer who can bring both hands-on expertise and leadership to our projects. If you enjoy meaningful work, thrive in a team environment, and have carpentry skills, we'd love to hear from you.

#### What You'll Do:

- Perform a variety of construction, maintenance, and repair tasks
- Apply your carpentry skills to diverse projects
- Lead small teams of laborers and ensure safe, efficient work
- Contribute to a strong culture of safety and teamwork

#### What You Bring:

- Experience in general labor, construction, or trades
- Supervisory or team leadership experience
- Carpentry skills (preferred)
- Commitment to safety and reliability
- Valid driver's license and reliable transportation

#### Why Ka'kin?

At Ka'kin, we're proud to create meaningful work that supports both people and communities. Joining our team means being part of a values-driven workplace where your skills and leadership make a difference.
